

MATERIAL SAFETY DATA SHEET

MANUFACTURER: Neptune Chemical Industries Pty. Ltd.
P.O. Box 2002
Nerang DC 4211
Phone: 07 55964 766

Product Name: Non Foaming Algaecide

Identification

Name:	Non Foaming Algaecide
UN:	None Allocated
Hazchem:	None Allocated
Dangerous Goods Class:	None Allocated
Packaging:	None Allocated
Chemical:	Inorganic Salt Solution
Poisons Schedule:	S6

Physical Appearance and Properties

Electric Blue /Blue Solution
No Odour
Boiling Point: Similar to water.
Can discolour some metals.
Will not corrode skin.

Ingredients

Chemical Entity	CAS #	Proportion
Copper Sulphate Solution	7758 98 7	40gm/litre

Health Hazard Data

Harmful if swallowed. Causes salivation, nausea, vomiting, diarrhoea and shock.
Will irritate the eyes and may cause watering and redness.
Will irritate the skin some itchiness and drying of the skin.

First Aid

If poisoning occurs, contact a doctor or poisons information centre on 13 11 26. If swallowed and if more that 15 minutes from a hospital, induce vomiting, preferably using Ipecac Syrup APF. If skin contact occurs remove contaminated clothing and wash thoroughly. If in eyes, hold eyes open and rinse for at least 15 minutes and then visit a doctor. Advise doctor to treat symptomatically.

Precautions

Wear rubber or latex gloves if there is a likely hood of product coming into contact with skin.

Storage and Transport

Store upright in closed original container and in a cool dry place. Keep out of sunlight and the reach of children. Rinse container in swimming pool after use and recycle.

Spills

In the event of spill avoid contact with skin wear gloves if possible. Contain the spill with sand, diatomaceous earth powder, Zeolite or rags. Collect and store in plastic container or bag and dispose in normal refuse collection points. Hose off any remaining product. If a large volume of concentrate enters drains then advise emergency services.

Fire & Explosion

No risk of fire or explosion. Will not burn. Not flammable.
Do not mix with acids or strong alkalis or store in metal containers.
